

In an emergency, or if you fall, every second counts.

With Medical Guardian, you're never alone—**get help in 3 simple steps:**

STEP 1

Press Your Medical Alert Button

This immediately connects you to our 24/7, U.S.-based monitoring center.

STEP 2

Speak With an Emergency Operator

Our highly-certified operators help you determine which type of service you need.

STEP 3

Receive Immediate Help

Whether you request emergency services or an emergency contact, help is on the way.

Are you at risk?

All it takes is one medical emergency to completely alter your life forever. Take control of your personal safety and get your free RiskScore report today at medicalguardian.com/RA

Don't wait for an emergency to threaten your quality of life.
